Kansas Division of Emergency Management

Training Announcements

February 2, 2022

Participants can use the Course ID provided to access the registration link on KS-TRAIN (www.train.org/ks). Registration on KS-TRAIN is required to provide prerequisites and to access completion certificates after the course. Participants will also have access to their TRAIN Transcript to view and add other certifications for future reference.

* Note: All in-person sessions are subject to change according to local and state guidance for COVID-19 precautions. Students may be asked to wear a mask and practice social distancing in accordance with local policy. Cleaning supplies and masks will be provided as needed.

Pandemic Precautions

We are very excited to go back to in person training. In order to continue our quest for preparedness, we are following local and state regulations to provide a healthy environment for students and instructors. Your registration confirmation will have reminders to let us know if you need to cancel due to COVID symptoms. During class time we will be offering cleaning supplies and masks. All our training venues have been selected in order to offer more space and social distancing. This is also the reason that all our sessions have reduced seating. We are working hard to keep offering needed trainings and we look forward for the pandemic situation to continue to improve.

If you are currently registered for any of the in-person sessions please continue to monitor your email, as this will be our primary means of communication in the event that your trainings need to be rescheduled for any reason. Make sure your KS-TRAIN user account has your current email address.

Exercise Design Courses

Our team is currently working on scheduling more Exercise Design courses, including HSEEP sessions. Please keep checking our Training Schedule page for new offerings—they will be posted here as soon as they are open for registrations.

Need a KS-TRAIN Refresher?

Visit TRAIN Tutorials for information on how to start your user account, reviewing your learning center, and how to search the calendar.

If you forgot your password, use the "lost password" feature or contact the **KS-TRAIN Help Desk** at kdhe.kstrain@ks.gov

You can email the State Training Office at KDEMtraining@gmail.com to be added to our mailing distribution list for **Training Announcements** and Preparedness Branch Bulletins. The bulletins feature special training offerings and news from our federal partners.

If you have questions about any of these courses or need help with the registration site; or to request flyers with registration information please contact the KDEM Training Office at KDEMtraining@gmail.com.
