

Partnering with private, public, and government facilities nationwide to staff temporary healthcare providers filling short- and long-term positions.

Core Capabilities

Partnering with private, public, and government facilities nationwide to staff temporary healthcare providers filling short- and long-term positions.

- Emergency Response Staffing
- Government Staffing
- Rapid Response Deployment
- Traditional Facility Staffing
- Humanitarian Aid/Relief

The Wellhart Advantage

Wellhart believes that no need is too small, too large, or too urgent to handle. Above all, Wellhart aims for a practical, professional, and personal touch with each and every client and healthcare provider.

- Expansive Network
- Rapid Speed
- Strong Relationships with Locum Tenens Providers
- Ability to Support a Diverse Array of Clients
- In-House Teams Providing Assistance Throughout the Entire Staffing Process

Dedication is our Concentration

Our teams are dedicated to being the leading provider of superior locum staffing services by focusing on quick mobilization of the necessary medical providers, with the skills and background needed to ensure the expectations of all of our clients are not only met but exceeded.

The Wellhart Difference

Through partnerships, our teams have access to a database of over 500,000 healthcare providers.

To ensure that our database is geographically diverse, Wellhart helps providers obtain new state licenses so they are, and we are, prepared to support clients across the country.

This proactivity puts Wellhart in a position to staff open positions quickly and efficiently, with qualified healthcare providers.

Our Clients

Our solutions are tailored to each client's specific needs including provider types and specialties, timeline, and travel needs. Since our founding, we've provided temporary healthcare staffing solutions for:

- Emergency Response Agencies/ Organizations who focus on:
 - Natural disaster relief (floods, fires, earthquakes, hurricanes, tornados, snow, and more.)
 - Surge staffing due to disease outbreaks, pandemics, and endemics.
- Humanitarian Aid/Relief
 - Providing medical staffing due to migrant children/adults and refugees
- Local, State, and Federal Government Projects
 - Facilities under the jurisdiction of federal or state bureaus of corrections
 - State-run behavioral health hospitals
 - Department of Defense (DOD) facilities
 - Veterans' Affairs facilities, including VA hospitals and clinics
 - Indian Health Service (IHS) facilities
- Traditional healthcare systems including but not limited to:
 - Community Hospitals
 - Large Healthcare systems
 - Urgent Cares
 - Dental Clinics
 - Behavioral Health Hospitals and Clinics
 - Telemedicine Facilities
